Two Tanneries for Pocahontas.

Last week's Pocahontas Times says: "The two tanneries are coming closer. Last Saturday's meeting was held at the White Sulphur Springs, at which were present Col. McGraw, John Alexander, W. A. Braton, and E. M. Arbogast, and the representative of the United States Leather Company, Mr. Grant. On Monday the party went to Durbin. We understand from the rumors of the result of the conference that the company will build two tanneries in the county, one at Durbin which will use hemlock bark, and the other at Marlinton which will use chestnut oak bark. If these industries come they will mean much for the county, as each will employ several hundred men."

Vacation Days.

Vacation time is here and the children are fairly living out of doors. There could be no healthier place for them. You need only to guard against the accidents incidental to most open air sports. No remedy equals to DeWitt's Witch Hazel Salve for quickly stopping pain or removing danger of serious consequences. For cuts, scalds and wounds. "I used DeWitt's Witch Hazel Salve for sores cuts and bruises," says L. B. Johnson, Swift, Tex. "It is the best remedy on the market." Sure cure for piles and skin diseases. Beware of counterfeits. K. H. Trimble.

Look Pleasant, Please.

Photographer C. C. Harlan, of Eaton O., can do so now, though for years he couldn't because he suffered untold agony from the worst form of indigestion. All physicians and medicines failed to help him till he tried Electric Bitters, which worked such wonders for him that he declares they are a godsend to sufferers from dyspepsia and stomach troubles. Unrivalled for diseases of the stomach, Liver and Kidneys, they build up and give new life to the whole system. Try them. Only 50c. Guaranteed by K. H. Trimble, druggist.

Falo Alto Items.

July 23, 1902.
The farmers are busy making hay.

Mr. Jasper Simmons spent last Sunday evening with Mr. Martin Rexrode.

Several of our young folks attended preaching at Crummett Run last Sunday.

Don't Destroy Private Mail Boxes.

The law on the subject is as follows:

"Whoever shall hereafter wilfully injure, tear down, or destroy any letter box or receptacle established by order of the Postmaster General for the receipt or delivery of mail matter on any rural route, or shall wilfully break open same, deface or destroy any mail matter therein deposited, shall for every offense be punished by a fine of not more than \$1,000.00, or by imprisonment for not more than one year."

Poisoning the System.

It is through the bowels that the body is cleansed of impurities. Constipation keeps these poisons in the system, causing headache, dizziness and melancholia at first, then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's Little Early Risers prove this trouble by stimulating the liver and promote easy, healthy action of the bowels. These little pills do not act violently but by strengthening the bowels enable them to perform their own work. Never gripe or distress. K. H. Trimble.

What has become of the Recorder's correspondents? It seems as if each community ought to have some one to send the news to their county paper each week, if it is only an item or two. There are friends that are far away who look for news each week, but what must be their disappointment when they find there is not a letter from home. Ned. [Yes, Where have they gone? They surely will not forsake us at a time we need them most. Come back! Come back!—Editor.]

Just Look At Her.

When she came that sprightly step, faultless skin, rich, rosy complexion, smiling face, she looks good, feels good. Here's her secret. She uses Dr. King's New Life Pills. Result—All organs active, digestion good, no headache, no chance for "bilious." Try them yourself. Only 25c. K. H. Trimble's.

Things We Like Best

Often disagree With Us

Because we overeat of them. Indigestion follows. But there's a way to escape such consequences. A dose of a good digestant like Kodol will relieve you. It does. Your stomach is simply too weak to digest what you eat. That's all. Indigestion is. Kodol digests the food without the stomach's aid. Thus the stomach rests while the body is strengthened by wholesome food. Dieting is unnecessary. Kodol digests any kind of food. Strengthens and invigorates.

Kodol Makes Rich Red Blood.

Prepared by E. O. DeWitt & Co., Chicago. The St. Louis Convention passed the resolution.
